PHYSICAL EDUCATION: Two credits are required unless the student has an approved waiver. Any Two 100-level PEH courses may be applied.

INSTRUCTIONS FOR COMPLETING THE CURRICULUM OUTLINE

1. Student Information: Provide the information requested at the top of the form.
2. Courses and Courses Completed: If not provided, enter the course prefix and/or number (i.e., ENG-206, POS-200, etc.) of the courses you have successfully completed. Enter the number of credits completed and your grade. Be sure to include courses in which you are currently carrying anIncomplete. Use a catalog when unsure of the course number or number of credits.
   If you are using transfer credits to meet curriculum requirements, write the letter "T" after the number of credits. If you have not requested a transcript from your transfer institution, do so immediately. Or, if you have not received a credit evaluation, contact Student Central.
3. Courses in Progress and Courses-Final Semester: List the courses in which you are currently enrolled and in which you plan to enroll. Enter the number of credits under the appropriate category.
4. Review Requirements: Review curriculum requirements and be sure that courses you have listed under each category are appropriate. Discussion questions with your advisor.

APPLYING FOR GRADUATION

Students planning to graduate in the upcoming semester who have earned a minimum of 45 or more credits must complete an application for graduation. The application should be completed the semester prior to intended graduation.

The form can be found online via WebAccess, or a paper copy of the form can be obtained from the academic department in which you are matriculated. The form should be submitted to Certification and Records. If completed online, it will automatically be submitted to that office. Once the application is received, a review of degree requirements will be conducted. If you are lacking any requirements, you will be notified by the Certification and Records office.
