Date

AUTOMOTIVE TECHNOLOGY A.A.S.

ENGLISH: ENG 103 and ENG 104 required. Students may be required to begin their English sequence with ENG 099, a non-credit course.

SOCIAL SCIENCE: PSY 103 required. In addition, a three-credit social science elective must be chosen from any Anthropology, Economics, Geography, Political Science, Psychology or Sociology course. ECO 203, ECO 204, SOC 103 or any upper-level psychology course suggested.

LIBERAL ARTS: A three-credit liberal arts elective must be completed. Any ANT, ART, COM, CSC, GEN, HIS, MUS, PHI, POS, PSY, RDG, or SOC course may be applied to this category. Language, literature, non-technical math or physical sciences, and biological sciences are also applicable. CIS 100, 120 or 151 is also applicable. CIS 100, COM 101 or COM 205 suggested.

MATH/SCIENCE: As listed. Students may be required to begin their math sequence with MAT 079, MAT 087, non-credit courses.

COMPUTER INFORMATION SYSTEMS: As listed.

AUTOMOTIVE TECHNOLOGY: As listed.

HEALTH: Any course with an HEA prefix or HUM 270 will fulfill this requirement. Courses formerly numbered PEH 200, 206 or higher are also applicable. Courses with an HFA prefix do not apply.

PHYSICAL EDUCATION: Two credits are required unless the student has an approved waiver. Any two 100-level PEH courses may be applied.

INSTRUCTIONS FOR GRADUATION CERTIFICATION

TO THE CANDIDATE: Careful and proper completion of this form will facilitate the review of your outline and graduation certification. Please print clearly.

1. **Student Information:** Provide the information requested at the top of the form.
2. **Courses and Courses Completed:** If not provided, enter the course prefix and/or number e.g. ENG 206, POS 200 of the courses you have successfully completed. Enter the number of credits completed and your grade. Be sure to include courses in which you are currently carrying an Incomplete. Use a catalog when unsure of the course number or number of credits.

If you are using transfer credits to meet curriculum requirements, write the letter "T" after the number of credits. If you have not requested a transcript from your transfer institution, do so immediately. Or, if you have not received a credit evaluation, contact the Student Central.

3. **Courses in Progress and Courses-Final Semester:** List the courses in which you are currently enrolled and in which you plan to enroll. Enter the number of credits under the appropriate category.
4. **Review Requirements:** Review curriculum requirements and be sure that courses you have listed under each category are appropriate. Discussion questions with your advisor.
5. **Nomination Form and Signatures:** Obtain a Nomination for Degree form from your advisor. Discuss curriculum requirements. Obtain your advisor's signature on this outline.
6. **Certification & Records:** Submit this completed Curriculum Outline and Nomination for Degree form to Certification & Records by the established deadline. Failure to do so may result in postponed graduation, delayed receipt of your diploma, and exclusion from the Commencement program or press releases
