SUNY GENERAL EDUCATION REQUIREMENTS: The following categories must be completed:

**Basic Communication** - ENG-103 and COM-220. Note: COM-220 must be completed in fall 2015 or forward to fulfill the requirement.

**Mathematics** – MAT-118 or MAT-143

**Humanities** – ENG-104

**Social Science** – PSY-103

**American History or Western Civilization or Other World Civilization or The Arts or Foreign Language** – Two courses must be completed from two of these five categories on the approved list of SUNY General Education courses. Courses must be from two different categories.

**Natural Science** – An eight credit laboratory science sequence is required. Four credits of the sequence completes the SUNY General Education Natural Science category. The remaining four credits counts toward the additional SUNY General Education electives needed to meet the required 30 credits of general education. Students must select from these lab science sequences:

- **Biology:** BIO-151 & BIO-152
- **Geology:** GEO-151/151L & GEO-152/152L (formerly GEO-103 & GEO-104)
- **Physics:** PHY-103 & PHY-104
- **Chemistry:** CHE-171/171L & CHE-172/172L (formerly CHE-103 & CHE-104)

Additional SUNY General Education Elective: SOC-103 must be completed from the Social Science category.

COMPUTER STUDIES, CRIMINAL JUSTICE, COMPUTER FORENSICS: As listed.

**INSTRUCTIONS FOR COMPLETING THE CURRICULUM OUTLINE**

1. **Student Information:** Provide the information requested at the top of the form.

2. **Courses and Courses Completed:** If not provided, enter the course prefix and/or number (i.e., ENG-206, POS-200, etc.) of the courses you have successfully completed. Enter the number of credits completed and your grade. Be sure to include courses in which you are currently carrying an Incomplete. Use a catalog when unsure of the course number or number of credits.

   If you are using transfer credits to meet curriculum requirements, write the letter "T" after the number of credits. If you have not requested a transcript from your transfer institution, do so immediately. Or, if you have not received a credit evaluation, contact Student Central.

3. **Courses in Progress and Courses-Final Semester:** List the courses in which you are currently enrolled and in which you plan to enroll. Enter the number of credits under the appropriate category.

4. **Review Requirements:** Review curriculum requirements and be sure that courses you have listed under each category are appropriate. If you have any questions, discuss them with your advisor.

**APPLYING FOR GRADUATION**

Students planning to graduate in the upcoming semester who have earned a minimum of 45 or more credits must complete an application for graduation. The application should be completed the semester prior to intended graduation.

The form can be found online via WebAccess, or a paper copy of the form can be obtained from the academic department in which you are matriculated. The form should be submitted to the Registrar’s Office. If completed online, it will automatically be submitted to that office. Once the application is received, a review of degree requirements will be conducted. If you are lacking any requirements, you will be notified by the Registrar’s office.
